## OUR RESTAURANTS

Imagine a restaurant where each ingredient of the dish, was selected by the Chef exactly at the source of its origin. Imagine a restaurant where every one of the staff is able to describe you, to the smallest detail, what makes a perfect bite, which you are going to put in your mouth. Imagine a restaurant where the sum of human passion and the quality of each product at the time of composing the meal meets its highest point.

**1906 Gourmet Restaurant**, you are going to find white tablecloths, glittering tableware, the essence of fine dining offered by our Chef de Cuisine who decided to return from Japan in order to take our guests to a culinary journey inspired by the best local products, richness of Polish forests and raging waves of the Baltic Sea.

Our both restaurants; **1906 Gourmet Restaurant** and **Luneta & Lorneta** Bistro Club has been also recognized, appreciated and rewarded by the authors of the prestigious publication – Gault&Millau Culinary Guide, just half a year since the opening of the Palace Ciekocinko. # RIDERS CLUB / VIP ZONE

We have selected the best location for the **Veuve Clicquot Riders Club** – exactly between the two competition arenas. All accredited participants – riders, trainers, horse owners, grooms and crew members will be able to avail of the services offered by Veuve Clicquot & Hennessy bars and a coffee shop style eatery offering excellent breakfasts, fresh fruit and juices, wide selection of snacks and easy lunch type food: salads, Panini, focaccia, etc. Also this year, we have extended the Watch & Relax zone, which will allow the spectators to watch the competitions in a much more comfortable way. There will be sun loungers, cushions and parasols placed on the lawns, in the shade of the old trees from our beautiful park. The Riders Club in the evenings is a place to relax, sipping on a cocktail to the sound of music. At weekends, on the other hand, the club turns into a pure and unique frenzy party. Since their launch, the Riders Parties have gathered crowds and won the hearts of returning fans.
