L'Arezzo Equestrian Centre ha scelto la nuova tecnologia di OTTO SPORT che utilizza la combinazione di tappeti forati "OTTO" e strati di sabbia speciali che formano un sistema di pavimentazione che tuttora rappresenta il massimo livello per l'equitazione sicura, aiutano il drenaggio e favoriscono un'ottima performance sportiva.

Arezzo Equestrian Centre in collaboration with the new technology of OTTO SPORT company will offer new sand arenas. The combination with the riding mat system and the special footing mixture that helps drainage features has proven to be the ideal riding surface for equestrian sports with an optimal performance.
